NARRATIVE:

Dragusica, a documented gang member, has an extensive adult criminal history that began at the age of 18. His convictions include robbery, evading police, grand theft auto, grand theft from person, hit and run causing property damage, several vehicle thefts, attempted vehicle theft, possession of narcotic controlled substances, burglary, receiving known stolen property, petty theft with priors, and failing to report. He has served multiple state prison terms, the longest being 32 months for petty theft with priors. Dragusica was released from state prison to the supervision of the Los Angeles County Probation Department on May 4th, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2014 after he absconded from post release community supervision (PRCS). Dragusica qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft with priors is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
